First Ship of 2016 at the Port of Belledune

Belledune NB -The Belledune Port Authority (BPA) officially greeted Captain Li Bin, Master of the M.V. “Interlink Equity”, the first ship to lay anchor at the Port of Belledune in 2016.

The M.V. “Interlink Equity” is registered in Marshall Islands and her last port of call before arriving in Belledune was Guayaquil, Ecuador. The vessel’s agent is Calypso Marine Agency, represented by Mr. Raymond Corbin. The M.V. “Interlink Equity” docked at the Port of Belledune the evening of January 2nd, 2016, where the vessel unloaded approximately 2,500MT of perlite. The next stop for the M.V. “Interlink Equity” will be at Sept Iles, Quebec. Captain Li Bin was presented with a commemorative gift aboard the vessel.

Mr. Denis D. Caron, newly appointed President and CEO of the Port, took the opportunity to state that: “In 2015, the BPA celebrated it’s 15th year as a port authority. It is through the continued efforts of the Board of Directors as well as the committment and dedication of the BPA staff that enable the Port to have lasting and positive impacts for our communities and the region. Our focus is to the future as we strive to sustain our success and enhance the prosperity of Belledune and Northern New Brunswick! “
