Port 50 Adirondack Chairs

It was a beautiful Friday, July 13th, 2018, and the Port's President & CEO, Denis Caron, and the Marketing Coordinator, Jessica Vienneau, visited municipal offices around the Acadian Peninsula and delivered chairs from the Port 50 Adirondack Chair Competition.

Port 50 Adirondack chairs can be found all around the region: Bertrand, Paquetville, Lamèque, Shippagan, Le Goulet, Campbellton, Altholville, Bas-Caraquet, Charlo, Eel River Crossing, Maisonnette, Nigadoo, Pointe-Verte, Petit-Rocher, Tide-Head, and, of course, Belledune!

#SHARETHECHAIR

We encourage everyone to check out as many of the beautifully painted chairs as you can, take a photo with them, and [#SHARETHECHAIR](#)

The Port of Belledune donated \$1000 each to these recent events happening in the region, to name only a few of the local activities and festivals the Port sponsored in the month of July:

The 2018 Festival des Rameurs took place July 11th, 2018. A couple of Port staff members were thrilled to attend the event!

On July 14th, 2018, Pabineau First Nation celebrated their Annual Pow-Wow. The Port was happy to support our First Nation neighbours!
