

October 2018

A Hole in One!

The Belledune Port Authority (BPA) enjoyed another successful golf tournament on Tuesday, September 25th, 2018. In total, there were 19 teams registered in the tournament, and a total of \$__ through sponsorships was raised. These funds will be going towards a bursary program that the Port is currently working on for post-secondary students at CCNB enrolled in a trade's course. Also, the BPA's Terminal 3 Operators, Quebec Stevedoring Ltd. were honored with an award for their 20 year partnership with the BPA.

October is Breast Cancer Awareness Month. Show your support by wearing a pink ribbon! Here is some of the BPA staff wearing theirs!

A Day in the Park

On Sunday, September 16th, 2018, the BPA celebrated a day with the family at Atlas Park in Pointe-Verte, NB. Over 400 people from the surrounding areas came out to take part in the activities! The BPA's Terminal 1 Operators, the Brunswick Smelter – A Glencore Company, were honored with an award for 50 years of being in business together.

Touch-A-Truck

Staff members from the BPA braced the cold wind and were out bright and early at the Touch-A-Truck event in Beresford on Saturday, September 22nd, 2018! Those at the event had the chance to climb inside the BPA van, as well as other trucks from around the area including fire trucks, a crane, a school bus, and a tow truck.
